## AUTO PARTIES IN MISHAPS SUNDAY

Crowd of Five Girls in Marshall  
Blackledge's Machine Have Nar-  
row Escape From Injury.

### ONE GIRL IS SLIGHTLY HURT

Five Passenger Car With Six People  
in it Turns Completely Over  
South of Homer.

Two automobile accidents were the toll for pleasure driving in Rush county Sunday. Marshall Blackledge's big seven passenger touring car was crowded off the road near Milroy and the seven passengers in the car—five girls and Mr. Blackledge and son Allen—narrowly escaped serious injury, one being painfully hurt. A five passenger car turned completely over at a treacherous turn just south of Homer on the Gowdy pike but the occupants of the car escaped injury.

Riding in Blackledge's car besides Mr. Blackledge and his son were the Misses Edith Buell, Mary and Jessie Anderson, Hannah Morris and Clorene Amos. Miss Mary Anderson was compelled to remain in bed today because of injuries she sustained. Ligaments were torn loose in one of her feet.

Allen Blackledge was driving the automobile. It is understood that another motorist, whose name was not learned, crowded the Blackledge car into the ditch at a sharp turn in the road and it struck a telephone pole a glancing blow.

The pole was broken off and luckily for the occupants of the machine fell away from them or they might have been seriously hurt. The windshield was shattered and broken bits of glass were thrown on the passengers in the machine.

The automobile could be run after the mishap, but it was badly damaged. The left side of the machine was scraped by the pole. The left front fender was badly twisted and the back fender on the same side was torn off. The back door on the left side was crushed in.

The other mishap occurred to a party of motorists, who were on their way from Shirley to North Vernon. People of the neighborhood of the accident did not inquire about their names, so that they were never learned.

Persons who saw the machine lying along the road bottom side up yesterday marveled at the fact that someone was not killed. It is stated that the driver of the car did not realize how sharp the turn in the road was and when he came up to it very fast his brakes would not work.

Wandering about the streets of Jeffersonville, apparently demented, Harry M. Caine, Richmond grocer, who had such a narrow escape in the automobile accident at Knightstown last Tuesday night, was found and has been returned to his home in Richmond.

Relatives believed that Caine's mind was affected by the narrow escape he and Frank Shallenberg had Tuesday night near Knightstown, when the Ford runabout in which they were returning from the races at Indianapolis, was sideswiped by a touring car that passed them, throwing the lighter machine onto the interurban tracks where a moment later

## CROWD WILL GO TO SHELBYVILLE

Committee From Here in Greensburg  
Today Talking Over Plans For  
Attending Session.

### BUSINESS MEN TO GATHER

Coming Meeting at Shelbyville June  
14 is Outgrowth of Initial One  
in Rushville.

A committee composed of A. Bogue, E. J. Knecht, H. G. Hackman and E. R. Casady went to Greensburg today in Mr. Casady's machine to discuss with Greensburg merchants plans for attending the district meeting of business men's organizations at Shelbyville on June 14.

The first district meeting was held here, it will be recalled, and was an unqualified success. Suggestions were made at the banquet at the close of the initial gathering here that another meeting be held soon and Shelbyville promptly invited business men to come down there.

Recently the date was announced as June 14, Flag day, and it developed that the Elks of Shelbyville had arranged for a celebration of Flag day on the same date. In order to make sure that they, too, can get a large audience, officials of the sixth district branch of the Indiana Highway association have called a district meeting for Shelbyville on June 14. So, with the three events going on at the same time, Shelbyville is bound to have a large crowd and indications are now that Rushville will help swell it considerably.

The program for the business men's meeting will be held in the Shelbyville city hall and arrangements are being made now to care for 250 at the banquet in the evening at the hotel Shelby. It is predicted that at least thirty-five or forty from here will attend.

The Greensburg News says that the Connersville delegation is going in fifty Connersville-made automobiles, two men to the machine, and will stop here and pick up two passengers for each automobile. No one here seems to know anything about this arrangement, but no one was heard to complain about it.

## GRUELL BRINGS SUIT FOR DAMAGES

Asks \$5,000 of Edward Guttman for  
Injuries Alleged to Have Been  
Sustained in Accident.

### CLAIMS CARELESS DRIVING

The troubles of Edward Guttman and Lincoln Gruell, growing out of an automobile accident on the night of May 17, increase as the days go by. This afternoon Gruell filed suit for damages against Guttman, demanding \$5,000 for alleged personal injuries received in the accident. The suit follows closely that filed by Guttman against Gruell in which \$500 was demanded for damages to the automobile.

Gruell in his complaint alleges that Guttman was driving the auto at a high rate of speed and in a careless and negligent manner and that when they met on the road east of the city, Guttman suddenly turned the auto towards the plaintiff and in the collision that followed Gruell sustained many bruises and was injured internally. Megee and Ross and Perry Oneal represent Gruell.

## SAYS KICKERS ARE LIKE JUDAS

The Rev. Daniel Ryan Draws Parallel  
Between Lodge Work and  
Pouring of Ointment

### SPEAKS AT MEMORIAL SUNDAY

Fitting to Pay Tribute to Dead Since  
Alabaster Box Was Broken  
Before Death

Drawing a parallel between the breaking of the alabaster box and the work being done by the lodges of the country in a charitable way, the Rev. Daniel Ryan of Glenwood, speaking at the Union Lodge Memorial services at East Hill cemetery Sunday afternoon, declared that it was fitting and proper to pay tribute to the dead since the alabaster box had been broken before death.

The services were attended by the usual large crowd. Three lodges, the Modern Woodmen, Red Men and Odd Fellows participated in the memorial service, and the Odd Fellows band led the line of march from the court house square to the cemetery.

The speaker told of the breaking of the alabaster box by Mary in the presence of Jesus, and said that Judas registered a blow against it. "It is the same with your noble orders. There is always some one ready to find fault as did Judas," said the Rev. Mr. Ryan. "Here are your lodges breaking the alabaster box before death in caring for the widows and orphans, but at the same time there are men who oppose the work."

The speaker gave a brief history of each of the three orders represented at the memorial service, describing the founding of each and telling of the numbership at present and the amount of money spent annually for charity and benevolent purposes. He told of the general opinion that the Indian was considered treacherous but declared that the faith and promise was first broken by the white man and in a way the Indian had a right to be treacherous.

Lodges, according to the speaker, were first formed with a military idea in view, but this has gradually changed, until now the lodges lead the country in charity work. "You have broken the alabaster box before death and it is proper that we of the City of the Living should visit the City of the Dead on an occasion of this kind. The visit to the graves of these dead brethren no doubt brings back many fond memories and it is a most commendable thing to know that we do not forget our members after death."

The Rev. Mr. Ryan described the battle of Gettysburg with that of Waterloo and declared at Waterloo there were exactly three monuments while at Gettysburg there were over eight hundred. Many of these were erected by the lodges of the country, showing that the work of the orders does not end in death.

Judge Will M. Sparks presided at the services and the Rev. S. G. Huntington offered prayer. The audience sang "America" before the program was given.

### MULES RUN AWAY

Jack Downey, while working a team of mules to a roller on the John Boyd farm south of the city, was thrown off backwards and slightly hurt when the mules were frightened today. They ran on to the road and as far as the Adams Produce company when they were caught by Ray Hatch, an attache of the skating rink nearby.

## REFUSE MOTION FOR AN ELECTION

County Commissioners Also Overrule  
Remonstrance Against Pro-  
posed Cement Road

### TO BE RUN THROUGH RALEIGH

Commissioners Set June 30 to Re-  
ceive Bids and Appeal is Only  
Recourse Left

A motion asking the county commissioners to call an election in Washington township for the purpose of deciding whether the Charles L. Smullen et al., highway should be built was overruled and met the same fate at the hands of the commissioners as did the remonstrance signed by 55 freeholders of the township and headed by William Knecht.

The case in the commissioners court is now up to the point where an appeal to the circuit court can be taken as the commissioners set June 30 as the time for receiving bids for the construction of the concrete highway. It was intimated that an appeal would be taken and the matter is being watched with interest, especially in Washington township.

This was the day set for hearing the remonstrators. The remonstrance was presented to the commissioners by A. L. Gary and Samuel L. Trabue. The fight on the construction of this road was advanced some time ago, when William Knecht objected at the very start and asked the commissioners to overrule the original petition.

The remonstrators admitted that they did not have enough names to kill the highway and made their fight against the proposed improvement on cause, maintaining that under the law the commissioners could not pick out a section of a road and improve it unless the county paid the expense. The proposed Smullen road is 3,300 in length and does not connect with a free gravel road, unless the law is construed to mean that it can connect with itself, according to the remonstrators.

The road that is proposed to be paved with concrete runs east and west through Raleigh and is a part of the Mays-Raleigh highway. The remonstrators contended that the commissioners could not improve a section of this road without calling an election. The commissioners took a different view of the case as did the attorneys appearing for the petitioners. It was pointed out that Main street in the City of Rushville is an example similar to the Smullen road as it did not connect with a free gravel road but was a part of itself. This street was improved under the three-mile road law as it is proposed to build the Smullen road. In order to get the thing under way and throw the next step on the remonstrators, the commissioners overruled both motions and advertised for bids. The estimated cost of the road, according to the report of the viewers, is \$12,000. An interesting question is involved, and should it reach the circuit court, would attract wide attention.

Because no bids were received recently for the construction of the Albert W. Rigsbee road in Posey township on account of the law estimate, the commissioners ordered re-viewers appointed and the estimate will no doubt be raised. The re-viewers appointed were John H. Frazee of Rushville and Charles Fisher of Noble township.

The commissioners spent a busy morning allowing the usual claims that are always presented at the first meeting of the month.

## SUIT MAY GO TO SUPREME COURT

Judge Finds For Two Gas Companies  
When City Refuses to Plead  
Its Case Further.

### WILL STAND ON EXCEPTIONS

Supreme Court Will Have to Decide  
Constitutionality of State  
Commission Law.

The two cases of the City of Rushville against the Public Service Commission of Indiana, for an injunction and restraining order, involving the Central Fuel and the Peoples Natural Gas companies, a part of the fight waged by the city to prevent the increase in gas rates, here, ended today as far as the local court was concerned, when Judge Sparks found for the defendant at the costs of the plaintiff.

Judge Sparks sustained a demurrer to the amended complaint and the City of Rushville refused to plead further and elected to stand on its exceptions. When this decision was made known to the court Judge Sparks entered his finding for the Public Service Commission and the case will likely go to the supreme court on this ground.

These cases have been watched with a great deal of interest as the city contended that the law creating the Public Service Commission was unconstitutional and attacked the very life of the commission. The court sustained one demurrer to the complaint and then an amended complaint was filed. The supreme court will be asked to pass on the constitutionality of the act.

The petit jury has been called for Tuesday when the damage suit of Thomas Miller against the P. C. C. & St. L. railway will be called. The demand is \$400. The case is expected to require at least two days.

The final report of the commissioners in the partition suit involving the estate of the late Nancy Miller was filed today. The commissioners were John E. Osborn of Greensburg, and Leonidas Mull of Manilla. This is the end of a long string of litigation involving the estate of Mrs. Miller, which followed the breaking of her will in the Shelby circuit court by Bertha Tonyes and Stella Platt.

## DOLPH RYAN IS MAKING A RECORD

Son of Glenwood Minister is Praised  
by J. P. Morgan & Co. Banking  
Firm of New York.

### REV. DANIEL RYAN GETS NEWS

The banking firm of J. P. Morgan and company of New York City recently sent word to relatives of Dolph Ryan, son of the Rev. and Mrs. Daniel Ryan of Glenwood, who is serving in the French hospital corps, stating that the family had every reason to be proud of the boy as he was making a great record.

The Morgan firm called Thomas Conover, son-in-law of the Rev. Mr. Ryan, by phone and stated that they had just received a report from France on Dolph Ryan and told Mr. Conover that his brother-in-law was making an enviable record.

The last word received here from Dolph was that he was in Paris for a few weeks and his father believes that by now he has returned to the front.

## COMPROMISE ON HUGHES IS TRIED

Dominant Forces of Republicanism  
Give Progressives Chance to  
Nominate Him First

### THE G. O. P. ALSO TO PICK HIM

Progressives for Roosevelt First and  
Not for Justice Until he Makes  
Known Principles

(By United Press.)

Chicago, June 5.—The Progressive national committee today named what is practically a conference committee to consult with the Republicans on a platform and a candidate. This committee, consisting of George W. Perkins, Governor Hiram Johnson of California and Horace Wilkinson, is to be known as the publicity committee.

"But," said William Allen White, national committeeman from Kansas after the meeting, "it is to have executive powers, very wide powers although its primary appeal to the Republican delegates will be through paid advertisements."

Chicago, June 5.—The old guard made its first definite proffer to the Progressives today.

Secure in its own belief that it can control the votes of the majority of the delegates, the dominant forces of Republicanism want Hughes but they only want Hughes if they are convinced he can be a winner next November. Therefore, their preliminary feeler to the Progressives was to ascertain whether an agreement would not be possible with Hughes as a candidate running on any sort of a platform which the Progressives might require.

The old guard isn't belittling the power which it feels the Progressives can swing and its plan went further than a mere suggestion that an agreement came about on Hughes. It went so far as to embrace a scheme by which the Progressives might be able later to say they were the ones who put Hughes over. The scheme fostered by the old guard was to have the Progressives meet Wednesday and no later than Thursday night to nominate Hughes. Then by Friday or Saturday the Republican convention would choose the same standard bearer. The Progressives could very well point with pride to the fact that by their action in naming Hughes they had forced the G. O. P. into selecting the same leader.

The Progressive leaders who have been awaiting some sort of an olive branch suggestion made it known today they were first for Roosevelt and only for Hughes if some sort of a satisfactory statement of principles could be extracted from the justice.

By mid-afternoon the boom of Justice Hughes had achieved a commanding lead.

Progressive leaders privately admit a decisive slump in the Roosevelt boom, but predict a revival later.

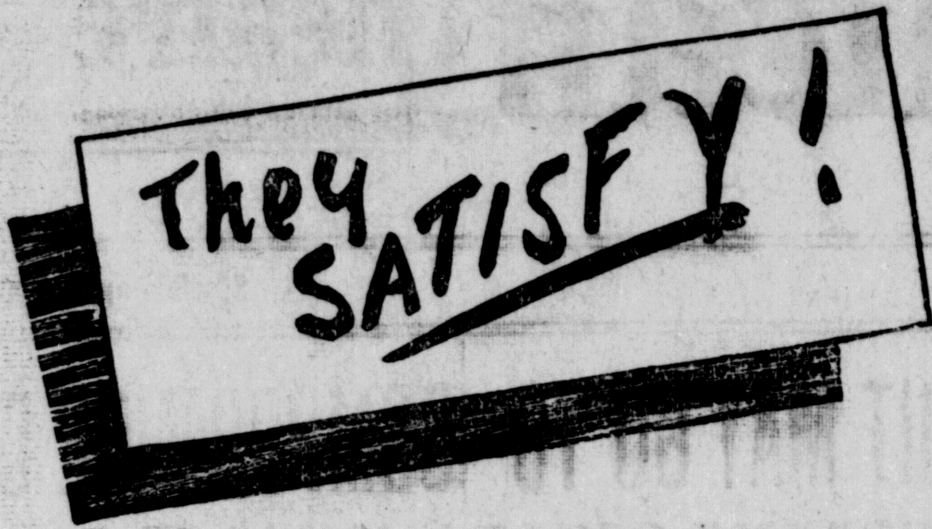

"Justice Hughes' nomination on an early ballot is inevitable," Frank Hitchcock unofficial Hughes boomer, declared in a statement this afternoon.

Organization leaders continued today to put forward gentle feelers for various likely candidates in an effort to attract Progressives' support. Their main efforts, however, are directed towards decorating the Hughes bandwagon to suit Progressives' tastes. Nowhere is there any organized delegation opposition to Hughes. Even the Root supporters in the New York delegation state frankly that they are for Root but are not against Hughes.

It was generally conceded that

What Is the Best Season for Painting?

That is a question we are often asked. If the surface to be painted is dry and the day is clear, any season is Good Painting Weather, provided the painter knows how to mix his paint to suit the temperature. An experience of twenty-five years has taught us how we can paint at any season of the year and guarantee satisfactory results. WINDY CITY IS THE BUSY PLACE

Starts Out Today to Make Good Prediction That it Will be Noisiest Place in World.

CROWDS BEGIN ARRIVING

Tickets For Republican Convention

Are at a Premium, \$350 Being Offered For Them.

(By United Press.)

Chicago, June 5.—Chicago started today to make good on the prediction for the next week it will be the noisiest spot in the world—unless it be Verdun. Certainly it will be the than anywhere else.

spot where more words are spilled All of which is by way of preface to the fact that the convention crowds began arriving today. They came chaperoned by bands, megaphoned assistants, singers and just plain noise-makers.

By Wednesday, Chicago will be swollen with people to nearly twice its normal size.

There are 985 delegates to the Republican national convention, to arrive, 985 alternates to the same; nearly 1,000 delegates and alternates to the Progressive National Convention; 20,000 women workers for the ballot, mostly out of town boosters; to say nothing of just plain spectators to the various affairs.

Already the lobbies of Chicago's loop hotels seem as choked with humanity as they did at the height of the Republican convention sessions four years ago.

All the hotels, incidentally, began today removing every bit of furniture from their lobbies.

No flower pots, vases, or chairs will clutter up space where enthusiasts may gossip, nor be near at hand for weapons in case arguments wax too hot.

One well known hotel, which sports a fountain in the middle of one of its dining rooms, began today to inclose this spot of water. It is a precaution which proved successful four years ago and saved a lot of rescues of persons and things which in previous convention times seemed to have a natural habit of gravitating thereto.

The Coliseum and the Auditorium, where the Republican and Progressive hosts will hold solemn convales, were ready for the crowds today.

Tickets for the Republican convention were at the biggest premium they ever have been for a gathering.

There were plenty of offers of \$350 for a single ticket admitting holder to the expected fourdaily sessions and tickets scarce at that.

It was estimated that the attempt to gain admittance will be made in vain by about ten thousand people. Only 12,400 seats for the public have been provided in the Coliseum.

Fakirs thronged Michigan Avenue and reaped a rich harvest in the sale of badges, banners, pictures and souvenirs.

Most of the big delegations were expected today.

New York's 90, with alternates, co-workers, hangers-on and admirers, arrived on a special train this morning.

Deputy chief of Police Schuettler has sworn in several hundred extra policemen and almost an equal number of plain clothesmen borrowed from other cities, went on duty today to keep away eye on the undesirable.

The only formal routine observed today was the meeting of the Republican National Committee, cleaning up contests and transacting the thousand and one details incident to stage-managing the big pow-wow.

SIX SHIPS IN THE SQUADRON

(By United Press.)

Annapolis, Md., June 5.—Today began the practice cruise for midshipmen along the Atlantic coast, a "crab cruise," as the Academy vernacular has it.

The squadron left Annapolis this morning and is scheduled to arrive at Culebra on June 12. It will leave Culebra on June 17 and arrive at Guantanamo on June 21.

It will stay at Guantanamo until July 6, and the next stop will be Provincetown, Mass., which, it is expected, will be reached on July 13, and which will become the squadron base.

The vessels of the squadron will then separate to rendezvous on August 7 and leave Provincetown one week later, August 18 to 21, will be spent at Hampton Roads and August 21 to 27 at the Southern drill grounds.

The squadron will arrive off the Patuxent River, in the Chesapeake Bay, on August 29 and at Annapolis on August 30. The midshipmen will then go on leave for a month.

The ships of the squadron will stop at points after reaching Provincetown as follows:—The Missouri, Portland; the Rockport, Boston, the Wisconsin, Portland; the Boston, Gloucester; the Ohio, Boston; the Rockport, Salem.

## SANITARY PILLOWS

Feather Pillows are used in practically every home—nearly every man, woman and child sleeps on a feather pillow, night in and night out, three hundred and sixty-five times a year. A good housewife regularly changes the linen on her beds. She insists that the bed linen shall be immaculate; but how often does she have her pillows washed or renovated?

A thin linen or muslin case is all that protects the pillow, and it is reasonable to suppose that the ticking and feathers, which for months and months have been catching the breath of the sleeper, as well as the oils from the hair and scalp, become dirty and unsanitary after having been slept on for a considerable length of time. We wash them for 25 cents and guarantee to return your feathers.

## Always Another Side.

In the formation of our views on national, state and municipal affairs many of us are unconsciously led into the error of believing that there is but one side to the question before us—our side.

When we become imbued with this obsession we likewise become intolerant of opposition and refuse to recognize the possibility of any views except our own.

We might cite a few instances.

We favor a certain man for president in the forthcoming national election. To our mind he is the only man possessing the necessary qualifications for this exalted position. All others are mediocre and not worth consideration. And yet as a matter of fact there is not a man in the race for the presidency today but what has his good and valuable qualities as well as his weak ones, for the brains of this nation are not centered in any one man. We have our personal choice and we sincerely believe that the man of our choice is the best fitted for the office, but we should readily concede to our neighbor his inalienable right to differ from us in this belief.

We may favor a certain system in municipal government and our neighbor may entertain views radically divergent from our own. But this does not necessarily imply that we are exactly right in our conception and that our neighbor is entirely wrong, for our neighbor, though differing from us in our views, yet possesses intelligence and is quite capable of applying it in relation to any subject before the people.

In fact, there are two sides to every question. The preponderance of argument may be in favor of one side yet, the advocates of the other side but speak in the light of training and of their sincere conception of what is for the public weal.

They are honest in their convictions, as we are honest in our, and wisdom bespeaks the utmost tolerance on the part of all factions and people for those who oppose them in their policies and beliefs.

It is by the careful exercise of this wisdom that a nation becomes great and strong and dominating in the world of affairs, while to pursue a reverse policy is to invite bickering, exasperation and ultimate disintegration.

In our conduct of affairs let us think as we choose, but bow cheerfully to the will of the majority and work in harmony for the common good of all of the people.

President Wilson said lately that some Democrats, when appointed to exalted station, grow. Others, he declared, swell. Ever since, Washington has been trying, with little success, to discover the growing variety. The President further confessed a recurring desire to use a pin on the swelling kind, the only objection to this, he confessed, being the probable nature of the gases liberated. True. If it were not for the "public nuisance" phase of this unhappy predicament he could use the pin freely and with commensurate benefits to the country at large.

Japan is preparing to bite off another slice of China. But, then, China has 400,000,000 people who can not fight because they have nothing with which to fight. How would you like to be the China?

In France medical prescriptions are written in the language of the country, but in the United States they are written in a tongue that has been dead these hundreds of years and which no one understands but the doctors and the druggists. Why?

The wise man often knows not of his own wisdom, nor the fool of his foolishness. But 'tis nature, and it will ever be so.

The sixty-third Congress, controlled by Democrats, appropriated in its two sessions, a total of \$2,231,055,150. This does not cover the entire bill, for thus far during the present session four urgent deficiency bills, providing \$25,731,299, have been voted to make up deficiencies for the next fiscal year alone. To this must be added the deficiency appropriations of this session, which will go into the report of the next Congress, making something in the neighborhood of \$1,311,588,000 appropriated by the Democrats for the fiscal year 1917 alone. And these figures do not include appropriations to pay the wage bill for the thousands of Democrats scheduled for jobs under the Rural Credits Act, and other legislation. The Democrats came into control under a solemn promise of economy, coupled with denunciation of Republican extravagance. To be sure, the country is growing, and with its growth greater demands are being made upon the Treasury. Notwithstanding this, the record shows that the present Democracy has been the most experiment the country has ever undertaken.

There is a new calendar out that covers twenty centuries, from 100 to 2100. And, incidentally, we hope the war will be over by the time a new one is in demand.

Compressed air is used for cleaning complicated machinery. Politically, however, it is only of value when it explodes.

## BLOTCH APPEARS ON FACE OF SUN

Astronomers Are Interested in New Spot That Shows on the Face of the Orb of Day.

IT MAY AFFECT THE WEATHER

Indianapolis, Ind., June 5.—Speaking of things to worry about—there is a spot on the sun. Just how a spot got on the sun, just how long it is going to stay there and just just what effect it is going to have one knows.

What most interests astronomers is the fact that the sun—unlike the leopard—can change its spots. With every new spot there arises a new theory as to their origin but as yet the study has not gone beyond the field of theory.

According to E. N. Johnson, professor of astronomy at Butler College the present sun spot, which was noticed first a week or so ago, is of unusual interest in the fact that it is unusually large. As seen by means of the telescope and only thus can it be seen, the spot, he says, appears to be about one-two hundredth the size of the sun and to be in appearance but slightly darker than the sun itself.

It has not yet been proved, says Prof. Johnson, that sun spots have any relation to weather changes. They appear frequently on the sun and remain for from one day to several weeks. Some day scientists hope to prove what causes the spots. Meanwhile it is proposed to let the spots come and go as they see best.

Apache Indians Put Bandits to Flight and Kill Leader

(By United Press.)  
Namiquipa, Mexico, June 5.—The twenty Apache Indian scouts from Arizona routed a Villista band near Las Zaras Pass, Thursday, killed the bandit leader and wounded another Villista. The Indians, commanded by Lieut. Shannon, of the Eleventh United States cavalry, suffered no casualties.

The Apache scouts, led by Chief Velasquez, were on the trail of the bandits for a week, according to Shannon's report received at field headquarters today. The scene of the fight is forty miles south of Namiquipa.

Joseph Lane (68)

Joseph Lane was a native of North Carolina, where he was born December 14, 1801. He immigrated to Indiana at the age of 15 and settled in Warriek county. He was elected to the state senate before attaining his majority and was a member of the legislature until 1846, when he enlisted as a private in the Mexican war. When the troops gathered at New Albany, Lane was promoted to a colonel. Soon after he was promoted brigadier and placed at the head of the Indiana brigade. General Lane was wounded at Vera Cruz and assisted in the capture of Matamoros. In 1848 he was appointed governor of Oregon territory and when the territory became a state he became Oregon's first United States senator. In 1860 he was nominated with Breckinridge for vice-president. He died in 1881.

But the grading, if anything, is even better.

All the new Spring patterns, in blues, browns, tans, grays and mixed goods are included. The Norfolk back effects are particularly pleasing, and there are a large number of different models.

While these Norfolks are of the better quality in style and finish, they are all so well made that it will be difficult for even careless boys to wear them out. Trousers are re-inforced at wear-points and full-lined with strong twill lining.

**RELATIVES FEAR EDWARDS IS DEAD**

Have No News of Earlham College Student Who Mysteriously Disappeared April 29.

**LOVE AFFAIR MAY BE CAUSE**

Richmond, Ind., June 5.—Is Carroll P. Edwards, the Earlham college student who disappeared from Bundy dormitory on Saturday, April 29, dead?

Fear that the true answer is the affirmative has been expressed by members of the student body of the college as a result of failure in all efforts of the authorities and others to locate him to get any trace of his movements.

Mrs. D. W. Edwards, his mother, it is said, sits at a window at her home on New Jersey street, Indianapolis, constantly looking out of the window, hoping to see her son approaching, and she, it is said, still believes that word will be received from him or he will return.

Investigation here by the college authorities by detectives employed by the family, and by others has failed completely to produce information of value, or to answer the cause for his disappearance in a more satisfactory way than that he, disappointed in a love affair, decided to run away and to try to forget the girl. She, her friends say, has heard nothing from his directly or indirectly.

It was erroneously stated Saturday that Mrs. Lon Innis had died at her home in Milroy. Instead, it was Mrs. Charlotte Innis, who was commonly known as Mrs. Lot Innis, which caused the confusion.

**LOCALS LOSE A TIGHT GAME**

Although Threatening at Many Stages, Rushville Ball Team is Unable to Score

**THE FINAL COUNT IS 1 TO 0**

Newly Organized Aggregation, Holding Fast Plutos, Gives Promise of Being Winner

The newly organized Rushville team pried the lid off the baseball season yesterday and succeeded in holding the Fast French Lick Plutos to a 1 to 0 score. The game was a pitchers' battle between Pryor for the Plutos and Hudelson for the locals, both southpaws. Pryor got all of the breaks and had all the luck or else the score would have been different because he did not have a thing on Hudelson.

The showing of the Rushville team created a big surprise and it is apparent that with a few games the team will be up and playing good ball. It was the first game of the season for the home team and many of the players had never seen a baseball this year until yesterday and then they went out there and played the fast colored team to a standstill, showing that with a little practice the team will win many games.

The Rushville team played in tough luck all the way through. Three different times the locals had a man as far as third base and the last time came in the ninth inning with only one out. It looked exceptionally good for at least a tie score, but Pryor tightened up as he did the two previous times and put the skids under the Rushville team. Pryor was exceptionally stingy with hits in the pinches. For instance in the 3rd inning Rushville filled the bases but Pryor got out of the hole. He did this again in the fourth when Todd got as far as 3rd base only to die there when the colored pitcher struck out Hudelson. In the third Spacey was forced out at the plate. This was the closest the Rushville team came to scoring.

Jesse Hudelson, Rushville's pitcher, deserved a better fate as it was through no fault of his that the game was lost. Hudelson was never in any serious trouble and the one run scored off him was largely a fluke. The run came in the second inning. Brown, the first man up was safe on Carter's error. Day singled to center field and Brown drew the throw to third base and scored when Gordon overthrew third base. This was the only time the colored lads ever had a chance to score.

The fielding of both teams was very good and some sensational plays made. Day, the Plutos short-stop, played a sensational game, pulling down one from Tompkins' bat in the eighth that looked to be as sure hit. The game was as good a one as ever was played on the home posed of home boys is deserving of a larger crowd at the next game.

**St. Louis Opens Shakespeare Tercentenary Celebration**

(By United Press.)  
St. Louis, June 5.—The Forest of Arden has been transplanted here and tonight St. Louis will begin its Shakespeare Tercentenary celebration with the production of "As You Like It" in Forest Park.

Margaret Anglin heads the cast of more than a thousand, aided by Robert Mantell, the Shakespearian actor.

The performance will be given in a natural amphitheatre in the park, which seats ten thousand persons. The evenings' festivities will begin with a community prologue, representing the May Day revels of Shakespeare's time on the outskirts of an English hamlet. The Pageant Drama Association is conducting the venture.

**WILL MINT NEW SILVER PIECES**

United States Treasury Will Turn Out Another Design in Dimes, Quarters and Halves.

**FIRST CHANGE IN MANY YEARS**

Last Alteration in Style of These Coins Was Made in the Year 1891.

Washington, June 5.—Dimes, quarters and half-dollars of new design will be minted after July 1. Secretary McAdoo announced today. For the first time since 1891, a change will be effected in these pieces. The announcement disclosed that the half-dollar has fallen practically into disuse. The new design was selected with the hope of restoring it to more general circulation, it was indicated.

Under the new coinage, each piece will be of different design. The half dollar and dim models were made by Adolph A. Weinman and the quarter-dollar by Herman A. MacNeil. Both are sculptors of note.

The face of the new half-dollar bears a full length figure of Liberty with a background of the American flag flying to the breeze. The goddess is striding toward the dawn of a new day, carrying laurel and oak branches, symbolic of civil and military glory. The reverse side shows an eagle perched high on a mountain crag, wings unfolded. Growing from a rift in the rock is a sapling of mountain pine, symbolic of America.

The design of the 25-cent piece is intended to typify the awakening of the country to its own protection, Secretary McAdoo's announcement said.

Liberty, a full length figure, is shown stepping toward the country's gateway, bearing upraised a shield from which the covering is being drawn. The right hand bears an olive branch of peace. Above the head is the word "Liberty" and below the feet "1916." The reverse bears a figure of an eagle in full flight, wings extended, and the inscriptions "United States of America" and "E Pluribus Unum."

Both the half dollar and the quarter bear the phrase "In God We Trust."

The design of the dime is simple. Liberty, with a winged cap, is shown on the fore side and on the reverse is a design of a bundle of reeds, and a battle ax, symbolical of unity, "wherein lies the nation's strength."

WOMAN'S PARTY  
HITS FIRST SNAG

Tries to Crowd 2,500 Into a Hall  
Holding 1,800 on First Day  
of Convention

TO IMPRESS OTHER PARTIES

Hope to Force Republican and Progressive Parties Into Favoring "Votes For Women."

(By United Press.)

Chicago, June 5 — The Woman's Party, meeting in its first convention, struck its initial snag today when it tried to crowd 2,500 delegates representing a dozen million women into the Blackstone theatre, which has a seating capacity of only 1,800.

Before noon, following a half day of unexpected registration, no one doubted that the three day convention which is held to impress the progressives and republicans with the women voters' power would call for numerous overflow meetings.

Women voters from the eleven "free" states were given the first prominence today and will continue to hold first place in the convention tomorrow and the day following.

"Free" women had access to the main floor of the theatre. Other women crowded into the balconies and attended the overflow meetings.

Miss Alice Paul, National chairman, opened the meeting at 2 this afternoon but did not remain long as presiding officer.

The rules of the Woman's Party say that the permanent chairman must be selected from one of the eleven states in which women are allowed to vote. Up to the time of the balloting no one had any idea who the first temporary chairman of the Women's Party would be.

The principal business of the afternoon was the naming of committees and reports from the eleven equal suffrage state delegates.

A reception has been planned for this evening. Speakers at the convention will be:

Miss Maud Younger of San Francisco, Mrs. Ida Finney Mackrille of Kentfield, wife of Representative Sacramento, Mrs. William Kent of Kent; Mrs. Sara Bard Field of San Francisco, and Mrs. Elizabeth Gerberding of Berkeley, Anne Martin of Reno, Nev., Mrs. Wallace Williams of North Yakima, Washington, Miss Alice Louise Reynolds of Provo, Utah, Mrs. Francis Haire of Helena, Montana, Mrs. William H. Sawtelle of Arizona, Mrs. Lillian H. Kerr of Colorado Springs; Mrs. Dora Phelps Buell of Denver, and Dr. Caroline Spencer of Colorado Springs.

—Charles Appelgate has returned to his home in Chicago after a visit with old friends here. Mr. Appelgate is employed there as a cigar maker.

Word has been received here of the birth on May 29 of Mary Eloise, a ten pound girl, to the wife of William Woodburn of Evanston, Ill. formerly Miss Clara Appelgate of this city.

and the orchestra is composed of piano, violin, saxophone, trombone, cello and traps. Acceptances to the invitation are being received from a number of out-of-town people who are planning to attend. Invitations were sent to Indianapolis, Richmond, Shelbyville, Greensburg, Connorsville and Crawfordsville.

The dance will begin at 8 o'clock. Admission will be one dollar except for lady spectators, who will be charged 25 cents, owing to the seating capacity. Committee in charge of the dance is composed of William Pritchard, Robert Vredenburg, Harold Pearce, Dale Fisher, and Will Carter.

DINNER PARTY

Ivan Coyne entertained yesterday with an all day affair, including a dinner and supper for several of his friends honoring Orlando Simms and John Hennessy of Cincinnati. Pink roses were used in decorating the table for the elaborate meals which were served to the young men. They were, aside from the guests of honor Francis Coyne, Will Fitzgerald, Thomas Cooning, and Willard Hensley of Morrisstown.

of Mrs. Grant Gregg in East Seventh street. She is to be assisted by Mrs. Brann and Mrs. Lyda Ryker.

Mr. and Mrs. Henry Gregg had as dinner guests yesterday, Mr. and Mrs. James Gregg and Mrs. Clara Colvin of Allegon, Mich.

Mr. and Mrs. Este Pharis, Miss Edna Pharis, Richard Hall, and Harry Runyan of Shelbyville were the guests yesterday of Mr. and Mrs. Griffin of this city. They were accompanied to their home last evening by Miss Eva Young who returned this morning.

Invitations have been received here for the commencement exercises of the Western Military Academy of Alton, Ill., of which Lawrence Payne, son of Mr. and Mrs. Ralph Payne, of this city, is a member. The commencement festivities continue throughout June 11th, 12th, and 13th. Mr. and Mrs. Payne will attend the exercises.

GOING AWAY PARTY

In honor of Miss Helen Scott and Miss Genevieve Brown, who are to leave soon for their homes, Miss Henrietta Coleman gave a delightful little card party this morning at her home in East Seventh street. Three tables of guests were in play, and at the conclusion of the games, a delicious luncheon was served.

CENTENNIAL CELEBRATION

A number from this city motored to Brookville yesterday to attend the centennial celebration, features of which were a parade, and a program. It was held at Magnesia Springs six miles south-west of Brookville. One of the motoring parties was composed by Harold Pearce, Will Carter, John Wilkinson, William Pritchard, Dale Fisher and Hines Hogsett.

WEDDING ANNIVERSARY

In celebrating their third wedding anniversary, Mr. and Mrs. Harry Armstrong entertained the members of the R. C. S. Club and several visitors, making about twenty guests in all, Saturday evening. The rooms were prettily decorated with peonies and roses presenting a lovely picture for the setting in which the guests were entertained, playing cards and games of all kinds. Delicious refreshments were served at the close of the evening.

BIRTHDAY PARTY

Miss Ethel Oakley celebrated her 19th birthday Saturday by giving a birthday dinner for several of her girl friends in the evening. White peonies were used to make the rooms attractive and pink peonies decorated the prettily set table at which the guests enjoyed the elaborate dinner. An automobile ride during the evening completed the party, for which the guests were the Misses Adaline West, Kathleen Coyne, Maud Smith, Anne Gessler, Pauline Gessler, and Oma Cox.

PITCH-IN CLUB

American Beauty roses formed the attractive floral scheme for decorating the table at the home of Mr. and Mrs. Revilo Ferguson Saturday evening when the members of the Pitch-in Club were entertained. With the united efforts of the guests, an elaborate supper was served, aiding materially to the good time enjoyed. In this club are Mr. and Mrs. Guy Mulbarger, Miss Grace Buell, Miss Bertha Helm, Miss Edith Hiner, Frank Buell, and Mr. and Mrs. Wilbur Stiers.

CHARITY BALL

It was announced today by the members of the committee in charge of the Charity Ball to be given Thursday evening at the skating rink that the entire proceeds would go toward the visiting nurse fund. Arrangements for the music have been completed. An Anderson orchestra under the management of Charles Sherman will play for the dance. There will be two cabaret singers

Shelby County Coroner Exonerates Them of All Blame For Accident Week Ago Sunday

The crew of the I. & C. traction car—Louis Fritz of this city, conductor and William Garlitch of Connorsville, motorman—that struck the automobile of William Hulshart in Shelbyville a week ago last Sunday, killing Peter Straub and Charles Veatch, is held blameless in the report of Dr. G. I. Inlow, coroner of Shelby county. Straub formerly lived here and had many friends in Rushville.

In his report the coroner says: "I find that the crossing at this point is very dangerous, the view being obstructed by building and an orchard. The evidence of the witnesses shows that the interurban car had slowed down at the switch, near the car barns; that they were not running at an excessive speed and that the motorman gave proper warning for the crossing by a continuous blowing of the whistle."

**JAMES E. WATSON ROUNLY APPLAUDED**

His Reference to Preparedness at K. of P. Memorial Wins Paudits of Lodgemen

**HURRIES BACK TO CHICAGO**

James E. Watson came to Indianapolis yesterday from Chicago long enough to deliver the chief address at the memorial services of Knights of Pythias lodges and then returned in order to be on hands for the opening of the Republican convention. Concerning his address, the Indianapolis Star said:

The subject of preparedness entered into the memorial service held by the Knights of Pythias last evening and a statement that the nation should be prepared to meet any trespasser aroused hearty applause in the course of a program which otherwise was only a solemn tribute to the departed.

The applause came when James E. Watson, referring to the preparedness parade at Chicago Saturday, said, "Until the people of the world have learned the full duty of fraternity, we as a nation must be ready to meet force with force and be ready to repel any nation which might dare to trespass on our shores." Mr. Watson, supreme representative of the Grand Domain, Knights of Pythias of Indiana, was the principal speaker of the evening. He dwelt upon the relation between fraternity and nationality, and called attention to the fact that only by the complete exercise of the cardinal principles of fraternity could peace be maintained, and the doctrine of "might makes right" be overcome. Meanwhile, said the speaker, we need not only be prepared with an adequate army and navy, but we need industrial, intellectual, moral and fraternal preparedness.

**OH! MY BACK!**  
The Expression of Many a Kidney Sufferer in Rushville.

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's Rushville's proof:

Taylor M. Loyd, 940 W. Third St., Rushville, says: "My back ached steadily and at times was so weak that I could hardly be about. The kidney secretions were first too frequent in passage, then again too seldom. I used about four boxes of Doan's Kidney Pills, which I got at Lytle's Drug Store, and they did just as recommended, relieving me in a short time.

Price 50c, at all dealers." Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Loyd had. Foster-Milburn Co., Props., Buffalo, N. Y. (Advertisement.)

**OBITUARY**  
**JOHN C. WHITELOCK**  
As the hour of midnight of May the tenth was drawing near, a messenger from the better world came to the home of John Whitelock and summoned his soul to a heavenly realm. While for several days his loved ones knew that the end of his earthly journey was near, it was nevertheless painful to his children, who had watched over his declining years as faithfully as a mother her young child.

John Whitelock, the son of Thomas and Elizabeth Ann Whitelock was born in Illinois, August 16, 1834. Being at the time of his death 81 years, 8 months, and 24 days old. After the death of his father in Illinois, his mother came back to Indiana with her family of small children. John was a small boy when the family returned. The rest of his life has been spent in Indiana. The greater part of the time in Rush county where he was noted for his honesty and helpfulness. The community has lost a good citizen, the home a kind father.

He had three brothers and three sisters. All but one brother having preceded him to their heavenly home. Waiting to give him a welcome to that home where there is no sorrow or trouble.

About 60 years ago he was united in marriage to Julia Ann Brookbank at Metamora, Indiana. To this union seven children were born. Four of whom are still living. Mrs. Pearl Underwood of Greencastle, Ind., Mrs. Laura O'Neal, Mrs. Margaret Poe and Mrs. John Washburn all of whom live in Noble township.

He had thirteen grandchildren, nine great grandchildren. One brother, Abe Whitelock of Rush county. Beside these near ones he has many relatives and friends who are saddened by his going away.

His wife and companion for more than forty years died September 29, 1902. Since that time he has made his home with his children. The last eleven years having been spent with Mrs. Washburn at whose home he died. He will be missed in this home more than words can tell. But we can have this consolation that while he was yet quite with us we did mortal hands could do. While we may be lonely and sad without him and he cannot return to us but we can go to him. Looking to the God he loved and worshipped as our guide and enfort in the long and lonely days to come. We know that he was only waiting and longing to go to his Saviour who can heal all our sorrows. Almost his last words were those of prayer. And many a time in his last illness he said these words when he was asked to not sing because it made him so weak. I am singing myself into heaven. He united with the Friendship church during the pastorate of Andy Loudon.

His whole life had been one of service for others. Always a kind word of cheer to those in trouble. A helping hand when it was needed. Indeed it can be said a good man has been taken away. But the influence of a good life lives long after the mortal body has been laid away.

These few stanzas written for some father seem to express a tribute to this father better than any words written.

We miss thee from our home dear father,

We miss thee from thy place;  
A shadow o'er our life is cast,  
We miss the sunshine of thy face.

We miss thy kind and willing hand  
Thy fond and earnest care,  
Our home in dark without thee,  
We miss thee everywhere.

Dearest father we shall lay thee  
In the peaceful grave's embrace  
But thy memory will be cherished  
Till we see thy shining face.

We have lost our darling father.  
He has bid us all adieu  
He has gone to live in heaven.  
And his form is lost to view.

Oh, father! how we loved him  
Oh how hard to give him up  
But an angel came down for him  
And removed him from our home.  
71t.

The real estate of the late Daniel Brown, advertised to be sold last Saturday, was not sold although several bids were received. The bids were not considered satisfactory and the sale will be continued.

"Votes For Women" Dividing Attention at Polls With Other Nomination Fights.

**THE WOMEN ARE CONFIDENT**

Battle Today Was Climax of Long Fight For Equal Rights—Waged Hot Campaign.

(By United Press.)  
Des Moines, Ia., June 5.—"Votes for women" is dividing attention at the polls in Iowa today with the hot fight among Republicans for the gubernatorial nomination, and in many localities suffrage has the call on popular interest.

Although it is a primary election, the last legislature, for the second time passing the suffrage amendment, for a vote on suffrage today, and if the women win, they will have a chance to cast their ballots for the presidential nominee next November, as well as for state and county offices.

Today's battle is the climax of a long fight for equal rights. In 1882 the suffrage amendment passed the legislature but failed in the next session.

Speaking campaigns, automobile tours and all the demonstrations known to the professional politician have been used. Some of the men and women on the stump the last few days of the campaign are Mrs. Carrie Chapman Catt of New York, Dr. Anna Howard Shaw, Miss Laura Clay, Agnes L. Riddle of Colorado, Mrs. Ella S. Stewart, Mrs. D. W. Havenmeyer, Mrs. Harriet Stanton Blatch, Miss Josephine Casey, Miss Anna Martin, Mrs. Catherine Waugh McCulloch, Mrs. Andreas Ueland, Dora Sandoe Bachman, Mrs. T. T. Cotnam, Mrs. Millie Trumbull.

Among the men assisting in the campaign—and the suffrage leaders have a man's bureau—are Henry J. Allen of Kansas, Owen R. Lovejoy, of New York, W. Y. Morgan, lieutenant governor of Kansas, Earl Akers, state treasurer of Kansas, Samuel Strauss of New York, J. Stitt Wilson of California, A. L. Weatherly of Nebraska and Omar Garwood Colorado.

Suffrage leaders are confident today that the wires will flash a victory for them tonight. Western suffrage states particularly have backed the Iowa campaign with cash and speakers.

Loss of teeth is caused usually by one of two conditions—Pyorrhea or decay, both of which develop, as a rule, only in the mouth where germ-laden tartar is present.

SENRECO, the recently discovered formula of a dental specialist, is two-fold in its action. First, it REALLY CLEANS, embodying specially prepared, soluble granules unusually effective in cleaning away food deposits. Second, it is particularly destructive to the germ of Pyorrhea. Yet it is perfectly safe, containing neither injurious chemicals nor hard grit.

WAGE EARNERS GET A NIGHT COURT

Will be Aid to Persons Who Cannot Afford to Suffer the Law's Delay.

FOUR SESSIONS EACH WEEK

(By United Press.)

New York, June 5.—A night court where wage-earners can secure the prompt settlement of suits involving small sums will be opened in this city tonight.

It will be held hereafter four times each week, on Mondays, Tuesdays and Thursdays, from 8 to 11 p. m. Branches will be established in the various boroughs as needed.

This aid for persons who can least afford to suffer from the law's delays was finally secured without the passage of a bill from Albany which would make it mandatory.

Mayor Mitchell recognized that the authority to set up such a court was already vested in the Board of Justices.

Directly the Judges took definite action to provide the court for all the boroughs the mayor vetoed the Albany bill.

There are enough Justices to divide the work in such a manner as shall prevent the extra duties from weighing too heavily on them.

The new Night Court may greatly increase respect for the law by emphasizing its readiness to serve the poor man for whom its lengthier processes are prohibitive.

Children's Day at Christian Church is Well Attended

The offering at the annual Children's day exercises at the Main Street Christian church Sunday exceeded by fifty dollars that of any other Children's day offering at that church. The total sum given by the various classes was \$525.10. The offering goes to home and foreign missions. A fine program by the children was much appreciated. At the class period there were 596 people but by the time the program was given there were at least 200 more present.

ter it was smashed to pieces by an interurban car striking it. The two men jumped just before the crash and were not hurt. Unless he met with foul play since leaving the city relatives believe that Caine is living and will be located.

Amusements

The Mystic will show a six reel program tonight including the feature picture "Our Boys in Pursuit of Mexican Bandits." The picture was made at the Mexican border and shows some actual fighting. The picture is timely and should prove quite interesting. The Selig drama, "Why Love is Blind" is the second picture. The program ends with the one reel comedy "His Emergency Wife."

"Excuse Me" a five act comedy taken from the stage play of the same name is the attraction at the Gem tonight. The story was written by Rupert Hughes and the play produced by Henry W. Savage. It is a Pullman car pleasantries of mirths and berths. George F. Marion, Robert Fisher, Harrison Ford and Vivian Blackburn are featured and it is said to be a very funny production. Special music by Miss Nellie Drake and Miss Leona Thomas will be offered as a part of the program.

"Tables Turned" is the title of the feature picture at the Princess tonight. Emmy Wehlen, the star of many big dramatic and musical productions in both London and New York will be seen in this picture. "Tables Turned" is a gripping dramatic offering, brimful of tense situations, in which Miss Wehlen is seen at her very best. While this charming favorite of the London Gaiety achieved her greatest success in musical comedy, she has shown herself to be a versatile and capable actress, unusually powerful in emotional scenes. This picture is offered through the Metro program. Tomorrow the three act drama "The Spider's Web" will be shown.

the fight had narrowed down to Hughes and Roosevelt. For the moment the advantage was with the justice but the political resourcefulness of Roosevelt, combined with the unwillingness of Hughes to assume the aggressive, forestalled any chance of the Hughes boom taking on the earmarks of a certainty.

Hoosier Fairbanks Boosters Want Presidency or Nothing

(By United Press.)  
Chicago, June 5.—Nothing short of the presidential nomination will do for Charles W. Fairbanks, Hoosiers' favorite son, his headquarters announced today.

"Indeed," said a statement, "Fairbanks would not seek or accept the second string honor."

"Indiana Republicans," the announcement declared, "are here for but one purpose and that is to nominate Mr. Fairbanks for president as the logical solution of the problem that confronts the convention."

Twelve candidates were baptized at the Second M. E. church yesterday morning. The sermon was preached by the Rev. S. Stone of Newcastle, who returned to his home this morning.

L. R. Vail has accepted a position as 2nd trick operator at the Pennsylvania station, during the absence of Scott Wilkinson who is taking a vacation.

## AUTO PARTIES IN MISHAPS SUNDAY

Crowd of Five Girls in Marshall  
Blackledge's Machine Have Nar-  
row Escape From Injury.

### ONE GIRL IS SLIGHTLY HURT

Five Passenger Car With Six People  
in it Turns Completely Over  
South of Homer.

Two automobile accidents were the toll for pleasure driving in Rush county Sunday. Marshall Blackledge's big seven passenger touring car was crowded off the road near Milroy and the seven passengers in the car—five girls and Mr. Blackledge and son Allen—narrowly escaped serious injury, one being painfully hurt. A five passenger car turned completely over at a treacherous turn just south of Homer on the Gowdy pike but the occupants of the car escaped injury.

Riding in Blackledge's car besides Mr. Blackledge and his son were the Misses Edith Buell, Mary and Jessie Anderson, Hannah Morris and Clorene Amos. Miss Mary Anderson was compelled to remain in bed today because of injuries she sustained. Ligaments were torn loose in one of her feet.

Allen Blackledge was driving the automobile. It is understood that another motorist, whose name was not learned, crowded the Blackledge car into the ditch at a sharp turn in the road and it struck a telephone pole a glancing blow.

The pole was broken off and luckily for the occupants of the machine fell away from them or they might have been seriously hurt. The windshield was shattered and broken bits of glass were thrown on the passengers in the machine.

The automobile could be run after the mishap, but it was badly damaged. The left side of the machine was scraped by the pole. The left front fender was badly twisted and the back fender on the same side was torn off. The back door on the left side was crushed in.

The other mishap occurred to a party of motorists, who were on their way from Shirley to North Vernon. People of the neighborhood of the accident did not inquire about their names, so that they were never learned.

Persons who saw the machine lying along the road bottom side up yesterday marveled at the fact that someone was not killed. It is stated that the driver of the car did not realize how sharp the turn in the road was and when he came up to it very fast his brakes would not work.

Wandering about the streets of Jeffersonville, apparently demented, Harry M. Caine, Richmond grocer, who had such a narrow escape in the automobile accident at Knightstown last Tuesday night, was found and has been returned to his home in Richmond.

Relatives believed that Caine's mind was affected by the narrow escape he and Frank Shallenberg had Tuesday night near Knightstown, when the Ford runabout in which they were returning from the races at Indianapolis, was sideswiped by a touring car that passed them, throwing the lighter machine onto the interurban tracks where a moment later it was crushed.

## CROWD WILL GO TO SHELBYVILLE

Committee From Here in Greensburg  
Today Talking Over Plans For  
Attending Session.

### BUSINESS MEN TO GATHER

Coming Meeting at Shelbyville June  
14 is Outgrowth of Initial One  
in Rushville.

A committee composed of A. Bogue, E. J. Knecht, H. G. Hackman and E. R. Casady went to Greensburg today in Mr. Casady's machine to discuss with Greensburg merchants plans for attending the district meeting of business men's organizations at Shelbyville on June 14. The first district meeting was held here, it will be recalled, and was an unqualified success. Suggestions were made at the banquet at the close of the initial gathering here that another meeting be held soon and Shelbyville promptly invited business men to come down there.

Recently the date was announced as June 14, Flag day, and it developed that the Elks of Shelbyville had arranged for a celebration of Flag day on the same date. In order to make sure that they, too, can get a large audience, officials of the sixth district branch of the Indiana Highway association have called a district meeting for Shelbyville on June 14. So, with the three events going on at the same time, Shelbyville is bound to have a large crowd and indications are now that Rushville will help swell it considerably.

The program for the business men's meeting will be held in the Shelbyville city hall and arrangements are being made now to care for 250 at the banquet in the evening at the hotel Shelby. It is predicted that at least thirty-five or forty from here will attend.

The Greensburg News says that the Connersville delegation is going in fifty Connersville-made automobiles, two men to the machine, and will stop here and pick up two passengers for each automobile. No one here seems to know anything about this arrangement, but no one was heard to complain about it.

## GRUELL BRINGS SUIT FOR DAMAGES

Asks \$5,000 of Edward Guttman for  
Injuries Alleged to Have Been  
Sustained in Accident.

### CLAIMS CARELESS DRIVING

The troubles of Edward Guttman and Lincoln Gruell, growing out of an automobile accident on the night of May 17, increase as the days go by. This afternoon Gruell filed suit for damages against Guttman, demanding \$5,000 for alleged personal injuries received in the accident. The suit follows closely that filed by Guttman against Gruell in which \$500 was demanded for damages to the automobile.

Gruell in his complaint alleges that Guttman was driving the auto at a high rate of speed and in a careless and negligent manner and that when they met on the road east of the city, Guttman suddenly turned the auto towards the plaintiff and in the collision that followed Gruell sustained many bruises and was injured internally. Megee and Ross and Perry Oneal represent Gruell.

## SAYS KICKERS ARE LIKE JUDAS

The Rev. Daniel Ryan Draws Parallel  
Between Lodge Work and  
Pouring of Ointment

### SPEAKS AT MEMORIAL SUNDAY

Fitting to Pay Tribute to Dead Since  
Alabaster Box Was Broken  
Before Death

Drawing a parallel between the breaking of the alabaster box and the work being done by the lodges of the country in a charitable way, the Rev. Daniel Ryan of Glenwood, speaking at the Union Lodge Memorial services at East Hill cemetery Sunday afternoon, declared that it was fitting and proper to pay tribute to the dead since the alabaster box had been broken before death.

The services were attended by the usual large crowd. Three lodges, the Modern Woodmen, Red Men and Odd Fellows participated in the memorial service, and the Odd Fellows band led the line of march from the court house square to the cemetery.

The speaker told of the breaking of the alabaster box by Mary in the presence of Jesus, and said that Judas registered a blow against it. "It is the same with your noble orders. There is always some one ready to find fault as did Judas," said the Rev. Mr. Ryan. "Here are your lodges breaking the alabaster box before death in caring for the widows and orphans, but at the same time there are men who oppose the work."

The speaker gave a brief history of each of the three orders represented at the memorial service, describing the founding of each and telling of the numbers at present and the amount of money spent annually for charity and benevolent purposes. He told of the general opinion that the Indian was considered treacherous but declared that the faith and promise was first broken by the white man and in a way the Indian had a right to be treacherous.

Lodges, according to the speaker, were first formed with a military idea in view, but this has gradually changed, until now the lodges lead the country in charity work. "You have broken the alabaster box before death and it is proper that we of the City of the Living should visit the City of the Dead on an occasion of this kind. The visit to the graves of these dead brethren no doubt brings back many fond memories and it is a most commendable thing to know that we do not forget our members after death."

The Rev. Mr. Ryan described the battlefield of Gettysburg with that of Waterloo and declared at Waterloo there were exactly three monuments while at Gettysburg there were over eight hundred. Many of these were erected by the lodges of the country, showing that the work of the orders does not end in death.

Judge Will M. Sparks presided at the services and the Rev. S. G. Huntington offered prayer. The audience sang "America" before the program was given.

### MULES RUN AWAY

Jack Downey, while working a team of mules to a roller on the John Boyd farm south of the city, was thrown off backwards and slightly hurt when the mules were frightened today. They ran on to the road and as far as the Adams Produce company when they were caught by Ray Hatch, an attaché of the skating rink nearby.

## REFUSE MOTION FOR AN ELECTION

County Commissioners Also Overrule  
Remonstrance Against Pro-  
posed Cement Road

### TO BE RUN THROUGH RALEIGH

Commissioners Set June 30 to Re-  
ceive Bids and Appeal is Only  
Recourse Left

A motion asking the county commissioners to call an election in Washington township for the purpose of deciding whether the Charles L. Smullen et al., highway should be built was overruled and met the same fate at the hands of the commissioners as did the remonstrance signed by 55 freeholders of the township and headed by William Knecht.

The case in the commissioners court is now up to the point where an appeal to the circuit court can be taken as the commissioners set June 30 as the time for receiving bids for the construction of the concrete highway. It was intimated that an appeal would be taken and the matter is being watched with interest, especially in Washington township.

This was the day set for hearing the remonstrators. The remonstrance was presented to the commissioners by A. L. Gary and Samuel L. Trabue. The fight on the construction of this road was advanced some time ago, when William Knecht objected at the very start and asked the commissioners to overrule the original petition.

The remonstrators admitted that they did not have enough names to kill the highway and made their fight against the proposed improvement on cause, maintaining that under the law the commissioners could not pick out a section of a road and improve it unless the county paid the expense. The proposed Smullen road is 3,300 in length and does not connect with a free gravel road, unless the law is construed to mean that it can connect with itself, according to the remonstrators.

The road that is proposed to be paved with concrete runs east and west through Raleigh and is a part of the Mays-Raleigh highway. The remonstrators contended that the commissioners could not improve a section of this road without calling an election. The commissioners took a different view of the case as did the attorneys appearing for the petitioners. It was pointed out that Main street in the City of Rushville is an example similar to the Smullen road as it did not connect with a free gravel road but was a part of itself. This street was improved under the three-mile road law as it is proposed to build the Smullen road. In order to get the thing under way and throw the next step on the remonstrators, the commissioners overruled both motions and advertised for bids. The estimated cost of the road, according to the report of the viewers, is \$12,000. An interesting question is involved, and should it reach the circuit court, would attract wide attention.

Because no bids were received recently for the construction of the Albert W. Rigsbee road in Posey township on account of the law estimate, the commissioners ordered re-viewers appointed and the estimate will no doubt be raised. The re-viewers appointed were John H. Frazee of Rushville and Charles Fisher of Noble township.

The commissioners spent a busy morning allowing the usual claims that are always presented at the first meeting of the month.

## SUIT MAY GO TO SUPREME COURT

Judge Finds For Two Gas Companies  
When City Refuses to Plead  
Its Case Further.

### WILL STAND ON EXCEPTIONS

Supreme Court Will Have to Decide  
Constitutionality of State  
Commission Law.

The two cases of the City of Rushville against the Public Service Commission of Indiana, for an injunction and restraining order, involving the Central Fuel and the Peoples Natural Gas companies, a part of the fight waged by the city to prevent the increase in gas rates, here, ended today as far as the local court was concerned, when Judge Sparks found for the defendant at the costs of the plaintiff.

Judge Sparks sustained a demurrer to the amended complaint and the City of Rushville refused to plead further and elected to stand on its exceptions. When this decision was made known to the court Judge Sparks entered his finding for the Public Service Commission and the case will likely go to the supreme court on this ground.

These cases have been watched with a great deal of interest as the city contended that the law creating the Public Service Commission was unconstitutional and attacked the very life of the commission. The court sustained one demurrer to the complaint and then an amended complaint was filed. The supreme court will be asked to pass on the constitutionality of the act.

The petit jury has been called for Tuesday when the damage suit of Thomas Miller against the P. C. & St. L. railway will be called. The demand is \$400. The case is expected to require at least two days.

The final report of the commissioners in the partition suit involving the estate of the late Nancy Miller was filed today. The commissioners were John E. Osborn of Greensburg, and Leonidas Mull of Manilla. This is the end of a long string of litigation involving the estate of Mrs. Miller, which followed the breaking of her will in the Shelby circuit court by Bertha Tonys and Stella Platt.

## DOLPH RYAN IS MAKING A RECORD

Son of Glenwood Minister is Praised  
by J. P. Morgan & Co. Banking  
Firm of New York.

### REV. DANIEL RYAN GETS NEWS

The banking firm of J. P. Morgan and company of New York City recently sent word to relatives of Dolph Ryan, son of the Rev. and Mrs. Daniel Ryan of Glenwood, who is serving in the French hospital corps, stating that the family had every reason to be proud of the boy as he was making a great record.

The Morgan firm called Thomas Conover, son-in-law of the Rev. Mr. Ryan, by phone and stated that they had just received a report from France on Dolph Ryan and told Mr. Conover that his brother-in-law was making an enviable record.

The last word received here from Dolph was that he was in Paris for a few weeks and his father believes that by now he has returned to the front.

## COMPROMISE ON HUGHES IS TRIED

Dominate Forces of Republicanism  
Give Progressives Chance to  
Nominate Him First

### THE G. O. P. ALSO TO PICK HIM

Progressives for Roosevelt First and  
Not for Justice Until he Makes  
Known Principles

(By United Press.)  
Chicago, June 5.—The Progressive national committee today named what is practically a conference committee to consult with the Republicans on a platform and a candidate. This committee, consisting of George W. Perkins, Governor Hiram Johnson of California and Horace Wilkinson, is to be known as the publicity committee.

"But," said William Allen White, national committeeman from Kansas after the meeting, "it is to have executive powers, very wide powers although its primary appeal to the Republican delegates will be through paid advertisements."

Chicago, June 5.—The old guard made its first definite proffer to the Progressives today.

"Secure in its own belief that it can control the votes of the majority of the delegates, the dominant forces of Republicanism want Hughes but they only want Hughes if they are convinced he can be a winner next November. Therefore, their preliminary feeler to the Progressives was to ascertain whether an agreement would not be possible with Hughes as a candidate running on any sort of a platform which the Progressives might require."

The old guard isn't belittling the power which it feels the Progressives can swing and its plan went further than a mere suggestion that an agreement came about on Hughes. It went so far as to embrace a scheme by which the Progressives might be able later to say they were the ones who put Hughes over. The scheme fostered by the old guard was to have the Progressives meet Wednesday and no later than Thursday night to nominate Hughes. Then by Friday or Saturday the Republican convention would choose the same standard bearer. The Progressives could very well point with pride to the fact that by their action in naming Hughes they had forced the G. O. P. into selecting the same leader.

The Progressive leaders who have been awaiting some sort of an olive branch suggestion made it known today they were first for Roosevelt and only for Hughes if some sort of a satisfactory statement of principles could be extracted from the justice.

By mid-afternoon the boom of Justice Hughes had achieved a commanding lead.

Progressive leaders privately admit a decisive slump in the Roosevelt boom, but predict a revival later.

"Justice Hughes' nomination on an early ballot is inevitable," Frank Hitchcock unofficial Hughes boomer, declared in a statement this afternoon.

Organization leaders continued today to put forward gentle feelers for various likely candidates in an effort to attract Progressives' support. Their main efforts, however, are directed towards decorating the Hughes bandwagon to suit Progressives' tastes. Nowhere is there any organized delegation opposition to Hughes. Even the Root supporters in the New York delegation state frankly that they are for Root but are not against Hughes.

It was generally conceded that

## WINDY CITY IS THE BUSY PLACE

Starts Out Today to Make Good Prediction That It Will be Noisiest Place in World.

CROWDS BEGIN ARRIVING

Tickets For Republican Convention

Are at a Premium, \$350 Being Offered For Them.

(By United Press.)

Chicago, June 5.—Chicago started today to make good on the prediction for the next week it will be the noisiest spot in the world—unless it be Verdun. Certainly it will be the spot where more words are spilled.

All of which is by way of preface to the fact that the convention crowds began arriving today. They came chaperoned by bands, megaphoned assistants, singers and just plain noise-makers.

By Wednesday, Chicago will be swollen with people to nearly twice its normal size.

There are 985 delegates to the Republican national convention, to arrive, 985 alternates to the same; nearly 1,000 delegates and alternates to the Progressive National Convention; 20,000 women workers for the ballot, mostly out of town boosters; to say nothing of just plain spectators to the various affairs.

Already the lobbies of Chicago's loop hotels seem as choked with humanity as they did at the height of the Republican convention sessions four years ago.

All the hotels, incidentally, began today removing every bit of furniture from their lobbies.

No flower pots, vases, or chairs will clutter up space where enthusiasts may gossip, nor be near a hand for weapons in case arguments wax too hot.

One well known hotel, which sports a fountain in the middle of one of its dining rooms, began today to inclose this spot of water. It is a precaution which proved successful four years ago and saved a lot of rescues of persons and things which in previous convention times seemed to have a natural habit of gravitating thereto.

The Coliseum and the Auditorium, where the Republican and Progressive hosts will hold solemn convalescence, were ready for the crowds today.

Tickets for the Republican convention were at the biggest premium they ever have been for a gathering.

There were plenty of offers of \$350 for a single ticket admitting holder to the expected fourday sessions and tickets scarce at that.

It was estimated that the attempt to gain admittance will be made in vain by about ten thousand people. Only 12,400 seats for the public have been provided in the Coliseum.

Fakers thronged Michigan Avenue and reaped a rich harvest in the sale of badges, banners, pictures and souvenirs.

Most of the big delegations were expected today.

New York's 90, with alternates, co-workers, hangers-on and admirers, arrived on a special train this morning.

Deputy chief of Police Schuetzler has sworn in several hundred extra policemen and almost an equal number of plain clothesmen, borrowed from other cities, went on duty today to keep away eye on the undesirable.

The only formal routine observed today was the meeting of the Republican National Committee, cleaning up contests and transacting the thousand and one details incident to stage-managing the big pow-wow.

## PRACTICE CRUISE STARTED TODAY

Midshipmen Leave For 3 Months Training Trip Going First to Culebra.

SIX SHIPS IN THE SQUADRON

(By United Press.)

Annapolis, Md., June 5.—Today began the practice cruise for midshipmen along the Atlantic coast, a "crab cruise," as the Academy vernacular has it.

The squadron left Annapolis this morning and is scheduled to arrive at Culebra on June 12. It will leave Culebra on June 17 and arrive at Guantanamo on June 21.

It will stay at Guantanamo until July 6, and the next stop will be Provincetown, Mass., which, it is expected, will be reached on July 13, and which will become the squadron base.

The vessels of the squadron will then separate to rendezvous on August 7 and leave Provincetown one week later, August 18 to 21, will be spent at Hampton Roads and August 21 to 27 at the Southern drill grounds.

The squadron will arrive off the Patuxent River, in the Chesapeake Bay, on August 29 and at Annapolis on August 30. The midshipmen will then go on leave for a month.

The ships of the squadron will stop at points after reaching Provincetown as follows:—The Missouri, Portland; the Rockport, Boston, the Wisconsin, Portland; the Boston, Gloucester; the Ohio, Boston; the Rockport, Salem.

Feather Pillows are used in practically every home—nearly every man, woman and child sleeps on a feather pillow, night in and night out, three hundred and sixty-five times a year. A good housewife regularly changes the linen on her beds. She insists that the bed linen shall be immaculate; but how often does she have her pillows washed or renovated?

A thin linen or muslin case is all that protects the pillow, and it is reasonable to suppose that the ticking and feathers, which for months and months have been catching the breath of the sleeper, as well as the oils from the hair and scalp, become dirty and unsanitary after having been slept on for a considerable length of time. We wash them for 25 cents and guarantee to return your feathers.

### Always Another Side.

In the formation of our views on national, state and municipal affairs many of us are unconsciously led into the error of believing that there is but one side to the question before us—our side.

When we become imbued with this obsession we likewise become intolerant of opposition and refuse to recognize the possibility of any views except our own.

We might cite a few instances.

We favor a certain man for president in the forthcoming national election. To our mind he is the only man possessing the necessary qualifications for this exalted position. All others are mediocre and not worth consideration. And yet as a matter of fact there is not a man in the race for the presidency today but what has his good and valuable qualities as well as his weak ones, for the brains of this nation are not cetered in any one man. We have our personal choice and we sincerely believe that the man of our choice is the best fitted for the office, but we should readily concede to our neighbor his inalienable right to differ from us in this belief.

We may favor a certain system in municipal government and our neighbor may entertain views radically divergent from our own. But this does not necessarily imply that we are exactly right in our conception and that our neighbor is entirely wrong, for our neighbor, though differing from us in our views, yet possesses intelligence and is quite capable of applying it in relation to any subject before the people.

In fact, there are two sides to every question. The preponderance of argument may be in favor of one side yet, the advocates of the other side but speak in the light of training and of their sincere conception of what is for the public weal.

They are honest in their convictions, as we are honest in our, and wisdom bespeaks the utmost tolerance on the part of all factions and people for those who oppose them in their policies and beliefs.

It is by the careful exercise of this wisdom that a nation becomes great and strong and dominating in the world of affairs, while to pursue a reverse policy is to invite bickering, exasperation and ultimate disintegration.

In our conduct of affairs let us think as we choose, but how cheerfully to the will of the majority and work in harmony for the common good of all of the people.

President Wilson said lately that some Democrats, when appointed to exalted station, grow. Others, he declared, swell. Ever since, Washington has been trying, with little success, to discover the growing variety. The President further confessed a recurring desire to use a pin on the swelling kind, the only objection to this, he confessed, being the probable nature of the gases liberated. True. If it were not for the "public nuisance" phase of this unhappy predicament he could use the pin freely and with commensurate benefits to the country at large.

Japan is preparing to bite off another slice of China. But, then, China has 400,000,000 people who can not fight because they have nothing with which to fight. How would you like to be the Chink?

In France medical prescriptions are written in the language of the country, but in the United States they are written in a tongue that has been dead these hundreds of years and which no one understands but the doctors and the druggists. Why?

The wise man often knows not of his own wisdom, nor the fool of his foolishness. But 'tis nature, and will ever be so.

The sixty-third Congress, controlled by Democrats, appropriated in its two sessions, a total of \$2,231,055,150. This does not cover the entire bill, for thus far during the present session four urgent deficiency bills, providing \$25,731,299, have been voted to make up deficiencies for the next fiscal year alone. To this must be added the deficiency appropriations of this session, which will go into the report of the next Congress, making something in the neighborhood of \$1,311,588,000 appropriated by the Democrats for the fiscal year 1917 alone. And these figures do not include appropriations to pay the wage bill for the thousands of Democrats scheduled for jobs under the Rural Credits Act, and other legislation. The Democrats came into control under a solemn promise of economy, coupled with denunciation of Republican extravagance. To be sure, the country is growing, and with its growth greater demands are being made upon the Treasury. Notwithstanding this, the record shows that the present Democracy has been the most experiment the country has ever undertaken.

There is a new calendar out that covers twenty centuries, from 100 to 2100. And, incidentally, we hope the war will be over by the time a new one is in demand.

Compressed air is used for cleaning complicated machinery. Politically, however, it is only of value when it explodes.

## BLOTCH APPEARS ON FACE OF SUN

Astronomers Are Interested in New Spot That Shows on the Face of the Orb of Day.

### IT MAY AFFECT THE WEATHER

Indianapolis, Ind., June 5.—Speaking of things to worry about—there is a spot on the sun. Just how a spot got on the sun, just how long it is going to stay there and just what effect it is going to have one knows.

What most interests astronomers is the fact that the sun—unlike the leopard—can change its spots. With every new spot there arises a new theory as to their origin but as yet the study has not gone beyond the field of theory.

According to E. N. Johnson, professor of astronomy at Butler College the present sun spot, which was noticed first a week or so ago, is of unusual interest in the fact that it is unusually large. As seen by means of the telescope and only thus can it be seen, the spot, he says, appears to be about one-two hundredth the size of the sun and to be in appearance but slightly darker than the sun itself.

It has not yet been proved, says Prof. Johnson, that sun spots have any relation to weather changes. They appear frequently on the sun and remain for from one day to several weeks. Some day scientists hope to prove what causes the spots. Meanwhile it is proposed to let the spots come and go as they see best.

## SCOUTS ROUT VILLISTAS

Apache Indians Put Bandits to Flight and Kill Leader

(By United Press.)

Namiquipa, Mexico, June 5.—The twenty Apache Indian scouts from Arizona routed a Villista band near Las Zaras Pass, Thursday, killed the bandit leader and wounded another Villista. The Indians, commanded by Lieut. Shannon, of the Eleventh United States cavalry, suffered no casualties.

The Apache scouts, led by Chief Velasquez, were on the trail of the bandits for a week, according to Shannon's report received at field headquarters today. The scene of the fight is forty miles south of Namiquipa.

Joseph Lane (68)

Joseph Lane was a native of North Carolina, where he was born December 14, 1801. He immigrated to Indiana at the age of 15 and settled in Warrick county. He was elected to the state senate before attaining his majority and was a member of the legislature until 1846, when he enlisted as a private in the Mexican war. When the troops gathered at New Albany, Lane was promoted to a colonel. Soon after he was promoted brigadier and placed at the head of the Indiana brigade. General Lane was wounded at Vera Cruz and assisted in the capture of Matamoros. In 1848 he was appointed governor of Oregon territory and when the territory became a state he became Oregon's first United States senator. In 1860 he was nominated with Breckinridge for vice-president. He died in 1881.

## RELATIVES FEAR EDWARDS IS DEAD

Have No News of Earlham College Student Who Mysteriously Disappeared April 29.

### LOVE AFFAIR MAY BE CAUSE

Richmond, Ind., June 5.—Is Carroll P. Edwards, the Earlham college student who disappeared from Bundy dormitory on Saturday, April 29, dead?

Fear that the true answer is the affirmative has been expressed by members of the student body of the college as a result of failure in all efforts of the authorities and others to locate him to get any trace of his movements.

Mrs. D. W. Edwards, his mother, it is said, sits at a window at her home on New Jersey street, Indianapolis, constantly looking out of the window, hoping to see her son approaching, and she, it is said, still believes that word will be received from him or he will return.

Investigation here by the college authorities by detectives employed by the family, and by others has failed completely to produce information of value, or to answer the cause for his disappearance in a more satisfactory way than that he, disappointed in a love affair, decided to run away and to try to forget the girl. She, her friends say, has heard nothing from his directly or indirectly.

It was erroneously stated Saturday that Mrs. Lon Innis had died at her home in Milroy. Instead, it was Mrs. Charlotte Innis, who was commonly known as Mrs. Lot Innis, which caused the confusion.

## LOCALS LOSE A TIGHT GAME

Although Threatening at Many Stages, Rushville Ball Team is Unable to Score

THE FINAL COUNT IS 1 TO 0

Newly Organized Aggregation, Holding Fast Plutos, Gives Promise of Being Winner

The newly organized Rushville team pried the lid off the baseball season yesterday and succeeded in holding the Fast French Lick Plutos to a 1 to 0 score. The game was a pitchers' battle between Pryor for the Plutos and Hudelson for the locals, both southpaws. Pryor got all of the breaks and had all the luck or else the score would have been different because he did not have a thing on Hudelson.

The showing of the Rushville team created a big surprise and it is apparent that with a few games the team will be up and playing good ball. It was the first game of the season for the home team and many of the players had never seen a baseball this year until yesterday and then they went out there and played the fast colored team to a standstill, showing that with a little practice the team will win many games.

The Rushville team played in tough luck all the way through. Three different times the locals had a man as far as third base and the last time came in the ninth inning with only one out. It looked exceptionally good for at least a tie score, but Pryor tightened up as he did the two previous times and put the skids under the Rushville team. Pryor was exceptionally stingy with hits in the pinches. For instance in the 3rd inning Rushville filled the bases but Pryor got out of the hole. He did this again in the fourth when Todd got as far as 3rd base only to die there when the colored pitcher struck out Hudelson. In the third Spacey was forced out at the plate. This was the closest the Rushville team came to scoring.

Jesse Hudelson, Rushville's pitcher, deserved a better fate as it was through no fault of his that the game was lost. Hudelson was never in any serious trouble and the one run scored off him was largely a fluke. The run came in the second inning. Brown, the first man up was safe on Carter's error. Day singled to center field and Brown drew the throw to third base and scored when Gordon overthrew third base. This was the only time the colored lads ever had a chance to score.

The holding of both teams was very good and some sensational plays made. Day, the Plutos shortstop, played a sensational game, pulling down one from Tompkins' bat in the eighth that looked to be as sure a hit. The game was as good a one as ever was played on the home posed of home boys is deserving of a larger crowd at the next game.

## TO GIVE "AS YOU LIKE IT"

St. Louis Opens Shakespeare Tercentenary Celebration

(By United Press.)  
 St. Louis, June 5.—The Forest of Arden has been transplanted here and tonight St. Louis will begin its Shakespeare Tercentenary celebration with the production of "As You Like It" in Forest Park.

Margaret Anglin heads the cast of more than a thousand, aided by Robert Mantell, the Shakespearian actor.

The performance will be given in a natural amphitheatre in the park, which seats ten thousand persons. The evening's festivities will begin with a community prologue, representing the May Day revels of Shakespeare's time on the outskirts of an English hamlet. The Pageant Drama Association is conducting the venture.

## WILL MINT NEW SILVER PIECES

United States Treasury Will Turn Out Another Design in Dimes, Quarters and Halves.

FIRST CHANGE IN MANY YEARS

Last Alteration in Style of These Coins Was Made in the Year 1891.

Washington, June 5.—Dimes, quarters and half-dollars of new design will be minted after July 1. Secretary McAdoo announced today. For the first time since 1891, a change will be effected in these pieces. The announcement disclosed that the half-dollar has fallen practically into disuse. The new design was selected with the hope of restoring it to more general circulation, it was indicated.

Under the new coinage, each piece will be of different design. The half dollar and dime models were made by Adolph A. Weinman and the quarter-dollar by Herman A. MacNeil. Both are sculptors of note.

The face of the new half-dollar bears a full length figure of Liberty with a background of the American flag flying to the breeze. The goddess is striding toward the dawn of a new day, carrying laurel and oak branches, symbolic of civil and military glory. The reverse side shows an eagle perched high on a mountain crag, wings unfolded. Growing from a rift in the rock is a sapling of mountain pine, symbolic of America.

The design of the 25-cent piece is intended to typify the awakening of the country to its own protection, Secretary McAdoo's announcement said.

Liberty, a full length figure, is shown stepping toward the country's gateway, bearing upraised a shield from which the covering is being drawn. The right hand bears an olive branch of peace. Above the head is the word "Liberty" and below the feet "1916." The reverse bears a figure of an eagle in full flight, wings extended, and the inscription "United States of America" and "E Pluribus Unum."

Both the half dollar and the quarter bear the phrase "In God We Trust."

The design of the dime is simple. Liberty, with a winged cap, is shown on the fore side and on the reverse is a design of a bundle of reeds, and a battle ax, symbolical of unity, "wherein lies the nation's strength."

 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be lost forever. No cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. The commencement festivities continue throughout June 11th, 12th, and 13th. Mr. and Mrs. Payne will attend the exercises.

#### GOING AWAY PARTY

In honor of Miss Helen Scott and Miss Genevieve Brown, who are to leave soon for their homes, Miss Henrietta Coleman gave a delightful little card party this morning at her home in East Seventh street. Three tables of guests were in play, and at the conclusion of the games, a delicious luncheon was served.

#### CENTENNIAL CELEBRATION

A number from this city motored to Brookville yesterday to attend the centennial celebration, features of which were a parade, and a program. It was held at Magnesia Springs six miles south-west of Brookville. One of the motoring parties was composed by Harold Pearce, Will Carter, John Wilkinson, William Pritchard, Dale Fisher and Hines Hogsett.

#### WEDDING ANNIVERSARY

In celebrating their third wedding anniversary, Mr. and Mrs. Harry Armstrong entertained the members of the R. C. S. Club and several visitors, making about twenty guests in all, Saturday evening. The rooms were prettily decorated with peonies and roses presenting a lovely picture for the setting in which the guests were entertained, playing cards and games of all kinds. Delicious refreshments were served at the close of the evening.

#### BIRTHDAY PARTY

Miss Ethel Oakley celebrated her 19th birthday Saturday by giving a birthday dinner for several of her girl friends in the evening. White peonies were used to make the rooms attractive and pink peonies decorated the prettily set table at which the guests enjoyed the elaborate dinner. An automobile ride during the evening completed the party, for which the guests were the Misses Adaline West, Kathleen Coyne, Maud Smith, Anne Gessler, Pauline Gessler, and Oma Cox.

#### PITCH-IN CLUB

American Beauty roses formed the attractive floral scheme for decorating the table at the home of Mr. and Mrs. Revilo Ferguson Saturday evening when the members of the Pitch-in Club were entertained. Arrangements for the music have been completed. An Anderson orchestra under the management of Charles Sherman will play for the dance. There will be two cabaret singers

## WOMAN'S PARTY HITS FIRST SNAG

Tries to Crowd 2,500 Into a Hall Holding 1,800 on First Day of Convention

### TO IMPRESS OTHER PARTIES

Hope to Force Republican and Progressive Parties Into Favoring "Votes For Women."

(By United Press.)

Chicago, June 5 — The Woman's Party, meeting in its first convention, struck its initial snag today when it tried to crowd 2,500 delegates representing a dozen million women into the Blackstone theatre, which has a seating capacity of only 1,800.

Before noon, following a half day of unexpected registration, no one doubted that the three day convention which is held to impress the progressives and republicans with the women voters' power would call for numerous overflow meetings.

Women voters from the eleven "free" states, were given the first prominence today and will continue to hold first place in the convention tomorrow and the day following. "Free" women had access to the main floor of the theatre. Other women crowded into the balconies and attended the overflow meetings.

Miss Alice Paul, National chairman, opened the meeting at 2 this afternoon but did not remain long as presiding officer.

The rules of the Woman's Party say that the permanent chairman must be selected from one of the eleven states in which women are allowed to vote. Up to the time of the balloting no one had any idea who the first temporary chairman of the Women's Party would be.

The principal business of the afternoon was the naming of committees and reports from the eleven equal suffrage state delegates.

A reception has been planned for this evening. Speakers at the convention will be:

Miss Maud Younger of San Francisco, Mrs. Ida Finney MacKillop of Kentfield, wife of Representative Sacramento, Mrs. William Kent of Kent; Mrs. Sara Bard Field of San Francisco, and Mrs. Elizabeth Gerberding of Berkeley, Anne Martin of Reno, Nev., Mrs. Wallace Williams of North Yakima, Washington, Miss Alice Louise Reynolds of Provo, Utah, Mrs. Francis Haire of Helena, Montana, Mrs. William H. Sawtelle of Arizona, Mrs. Lillian H. Kerr of Colorado Springs; Mrs. Dora Phelps Buell of Denver, and Dr. Caroline Spencer of Colorado Springs.

Charles Applegate has returned to his home in Chicago after a visit with old friends here. Mr. Applegate is employed there as a cigar maker.

Word has been received here of the birth on May 29 of Mary Eloise, a ten pound girl, to the wife of William Woodburn of Evanston, Ill. formerly Miss Clara Applegate of this city.

and the orchestra is composed of piano, violin, saxophone, trombone, cello and traps. Acceptances to the invitation are being received from a number of out-of-town people who are planning to attend. Invitations were sent to Indianapolis, Richmond, Shelbyville, Greensburg, Connorsville and Crawfordsville.

The dance will begin at 8 o'clock. Admission will be one dollar except for lady spectators, who will be charged 25 cents, owing to the seating capacity. Committee in charge of the dance is composed of William Pritchard, Robert Vredenburg, Harold Pearce, Dale Fisher, and Will Carter.

#### DINNER PARTY

Ivan Coyne entertained yesterday with an all day affair, including a dinner and supper for several of his friends honoring Orlando Simms and John Hennessy of Cincinnati. Pink roses were used in decorating the table for the elaborate meals which were served to the young men. They were, aside from the guests of honor, Francis Coyne, Will Fitzgerald, Thomas Cooning, and Willard Hensley of Morristown.

## June Brides Store

June-time is bride-time. Wedding bells may be a figure of speech, tradition may undergo fantastic change, but worship at the bridal shrine goes on with unabated ardor. And so the bride is the queen of June. For her trousseau we offer a beautiful showing of lingerie dresses of net, organdie, and voile; silk dresses and dresses for every occasion; traveling suits; sport suits; summer coats; Dove undermuslins; stylish skirts and exquisite blouses; Fitrite silk petticoats; Gossard, W. B. and Kabo corsets; silk kimonos, silk and kid gloves; silk underwear; Gordon silk hose; and neatly fitting footwear.

For her home we offer a wonderful assortment of rugs, carpets, linoleums, window shades, rods, draperies, sewing machines, linens, bedding, china, silver and kitchen utensils.

For her going-away, we offer trunks, suit cases and bags that will defy the baggage man.

Gifts for the bride of Cut Glass, Silver, China, Parisian Ivory, Etc.

The bride will get an extra wedding present if she will save her *June Bride* Green Trading Stamps.

We have just received some beautiful red and white fox scarfs for summer wear.

Mr. and Mrs. Walter Capp, Miss Frances Capp, Posey Denning, Nelle Harrell of Liberty and Earl Osborne motored to Liberty yesterday and attended the centennial celebration.

Miss Pauline Gosnell had as guests yesterday Miss Lorene Newhouse and Harry Hall of Frankfort, Miss Gosnell received several guests informally yesterday afternoon in their honor.

Mr. and Mrs. Gunn Haydon entertained at dinner yesterday Mr. and Mrs. Ben Humes and Mrs. Haydon of Lexington, Ky. During the afternoon, they were accompanied by Mrs. Siddle Mowers in motoring to Franklin.

#### MISSIONARY MEETING

At the meeting of the Foreign Missionary society of the St. Paul's M. E. church to be held with Mrs. V. C. Bodine on Wednesday afternoon, contributions will be taken toward the \$20 which the society has pledged toward the support of a bible woman in the Dr. Parrish hospital in Manila, in the Philippines. The members are requested to bring their offerings at this time. An interesting program has also been planned for the meeting.

## I. & C. TRAINMEN HELD BLAMELESS

Shelby County Coroner Exonerates Them of All Blame For Accident Week Ago Sunday

The crew of the I. & C. traction car—Louis Fritz of this city, conductor and William Garditch of Connorsville, motorman—that struck the automobile of William Hulshart in Shelbyville a week ago last Sunday, killing Peter Straub and Charles Veatch, is held blameless in the report of Dr. G. I. Inlow, coroner of Shelby county. Straub formerly lived here and had many friends in Rushville.

In his report the coroner says: "I find that the crossing at this point is very dangerous, the view being obstructed by building and an orchard. The evidence of the witnesses shows that the interurban car had slowed down at the switch, near the car barns; that they were not running at an excessive speed and that the motorman gave proper warning for the crossing by a continuous blowing of the whistle."

JAMES E. WATSON  
ROUNLY APPLAUDED

His Reference to Preparedness at K. of P. Memorial Wins Paudits of Lodgemen

## HURRIES BACK TO CHICAGO

James E. Watson came to Indianapolis yesterday from Chicago long enough to deliver the chief address at the memorial services of Knights of Pythias lodges and then returned in order to be on hands for the opening of the Republican convention. Concerning his address, the Indianapolis Star said:

The subject of preparedness entered into the memorial service held by the Knights of Pythias last evening and a statement that the nation should be prepared to meet any trespasser aroused hearty applause in the course of a program which otherwise was only a solemn tribute to the departed.

The applause came when James E. Watson, referring to the preparedness parade at Chicago Saturday, said, "Until the people of the world have learned the full duty of fraternity, we as a nation must be ready to meet force with force and be ready to repel any nation which might dare to trespass on our shores." Mr. Watson, supreme representative of the Grand Domain, Knights of Pythias of Indiana, was the principal speaker of the evening. He dwelt upon the relation between fraternity and nationality, and called attention to the fact that only by the complete exercise of the cardinal principles of fraternity could peace be maintained, and the doctrine of "might makes right" be overcome. Meanwhile, said the speaker, we need not only be prepared with an adequate army and navy, but we need industrial, intellectual, moral and fraternal preparedness.

## OH! MY BACK!

The Expression of Many a Kidney Sufferer in Rushville.

A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away. Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's Rushville's proof:

Taylor M. Loyd, 940 W. Third St., Rushville, says: "My back ached steadily and at times was so weak that I could hardly be about. The kidney secretions were first too frequent in passage, then again too seldom. I used about four boxes of Doan's Kidney Pills, which I got at Lytle's Drug Store, and they did just as recommended, relieving me in a short time.

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Loyd had. Foster-Milburn Co., Props., Buffalo, N. Y. (Advertisement.)

## OBITUARY

## JOHN C. WHITELOCK

As the hour of midnight of May the tenth was drawing near, a messenger from the better world came to the home of John Whitelock and summoned his soul to a heavenly realm. While for several days his loved ones knew that the end of his earthly journey was near, it was nevertheless painful to his children, who had watched over his declining years as faithfully as a mother her young child.

John Whitelock, the son of Thomas and Elizabeth Ann Whitelock was born in Illinois, August 16, 1834. Being at the time of his death 81 years, 8 months, and 24 days old.

After the death of his father in Illinois, his mother came back to Indiana with her family of small children. John was a small boy when the family returned. The rest of his life has been spent in Indiana. The greater part of the time in Rush county where he was noted for his honesty and helpfulness. The community has lost a good citizen, the home a kind father.

He had three brothers and three sisters. All but one brother having proceeded him to their heavenly home. Waiting to give him a welcome to that home where there is no sorrow or trouble.

About 60 years ago he was united in marriage to Julia Ann Brookbank at Metamora, Indiana. To this union seven children were born. Four of whom are still living. Mrs. Pearl Underwood of Greencastle, Ind., Mrs. Laura O'Neal, Mrs. Margaret Poe and Mrs. John Washburn all of whom live in Noble township.

He had thirteen grandchildren, nine great grandchildren. One brother, Abe Whitelock of Rush county. Beside these near ones he has many relatives and friends who are saddened by his going away.

His wife and companion for more than forty years died September 29, 1902. Since that time he has made his home with his children. The last eleven years having been spent with Mrs. Washburn at whose home he died. He will be missed in this home more than words can tell. But we can have this consolation that while he was yet quite with us we did mortal hands could do. While we may be lonely and sad without him and he cannot return to us but we can go to him. Looking to the God he loved and worshipped as our guide and comfort in the long and lonely days to come. We know that he was only waiting and longing to go to his Saviour who can heal all our sorrows. Almost his last words were those of prayer. And many a time in his last illness he said these words when he was asked to not sing because it made him so weak. I am singing myself into heaven. He united with the Friendship church during the pastorate of Andy Loudon.

His whole life had been one of service for others. Always a kind word of cheer to those in trouble. A helping hand when it was needed. Indeed it can be said a good man has been taken away. But the influence of a good life lives long after the mortal body has been laid away.

These few stanzas written for some father seem to express a tribute to this father better than any words written.

We miss thee from our home dear father,

We miss thee from thy place;  
A shadow o'er our life is cast,  
We miss the sunshine of thy face.

We miss thy kind and willing hand  
Thy fond and earnest care,  
Our home in dark without thee,  
We miss thee everywhere.

Dearest father we shall lay thee  
In the peaceful grave's embrace  
But thy memory will be cherished  
Till we see thy shining face.

We have lost our darling father:  
He has bid us all adieu  
He has gone to live in heaven.  
And his form is lost to view.

Oh, father! how we loved him  
Oh how hard to give him up  
But an angel came down for him  
And removed him from our home.  
71tf.

The real estate of the late Daniel Brown, advertised to be sold last Saturday, was not sold although several bids were received. The bids were not considered satisfactory and the sale will be continued.

"Votes For Women" Dividing Attention at Polls With Other Nation Fights.

## THE WOMEN ARE CONFIDENT

Battle Today Was Climax of Long Fight For Equal Rights—Waged Hot Campaign.

(By United Press.)  
Des Moines, Ia., June 5.—"Votes for women" is dividing attention at the polls in Iowa today with the hot fight among Republicans for the gubernatorial nomination, and in many localities suffrage has the call on popular interest.

Although it is a primary election, the last legislature, for the second time passing the suffrage amendment, for a vote on suffrage today, and if the women win, they will have a chance to cast their ballots for the presidential nominee next November, as well as for state and county offices.

Today's battle is the climax of a long fight for equal rights. In 1882 the suffrage amendment passed the legislature but failed in the next session.

Speaking campaigns, automobile tours and all the demonstrations known to the professional politician have been used. Some of the men and women on the stump the last few days of the campaign are Mrs. Carrie Chapman Catt of New York, Dr. Anna Howard Shaw, Miss Laura Clay, Agnes L. Riddle of Colorado, Mrs. Ella S. Stewart, Mrs. D. W. Hatcher, Mrs. Harriet Stanton Blatch, Miss Josephine Casey, Miss Anna Martin, Mrs. Catherine Waugh McCulloch, Mrs. Andreas Ueland, Dora Sandoe Bachman, Mrs. T. T. Cotnam, Mrs. Millie Trumbull.

Among the men assisting in the campaign—and the suffrage leaders have a man's bureau—are Henry J. Allen of Kansas, Owen R. Lovejoy, of New York, W. Y. Morgan, lieutenant governor of Kansas, Earl Akers, state treasurer of Kansas, Samuel Strauss of New York, J. Stitt Wilson of California, A. L. Weatherly of Nebraska and Omar Gaywood Colorado.

Suffrage leaders are confident today that the wire will flash a victory for them tonight. Western suffrage states particularly have backed the Iowa campaign with cash and speakers.

# Examine Your TEETH Tonight

—after you clean them.

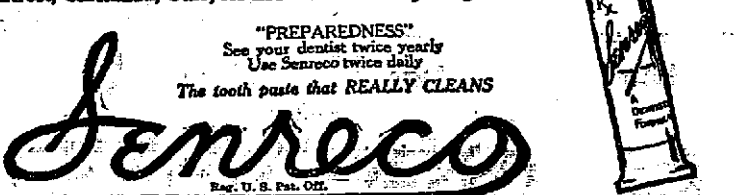

You will find, in all probability, an accumulation of tartar on the enamel and bits of food deposit hiding between the crevices. YOUR DENTIFRICE does not FULLY CLEAN! Loss of teeth is caused usually by one of two conditions—Pyorrhea or decay, both of which develop, as a rule, only in the mouth where germ-laden tartar is present.

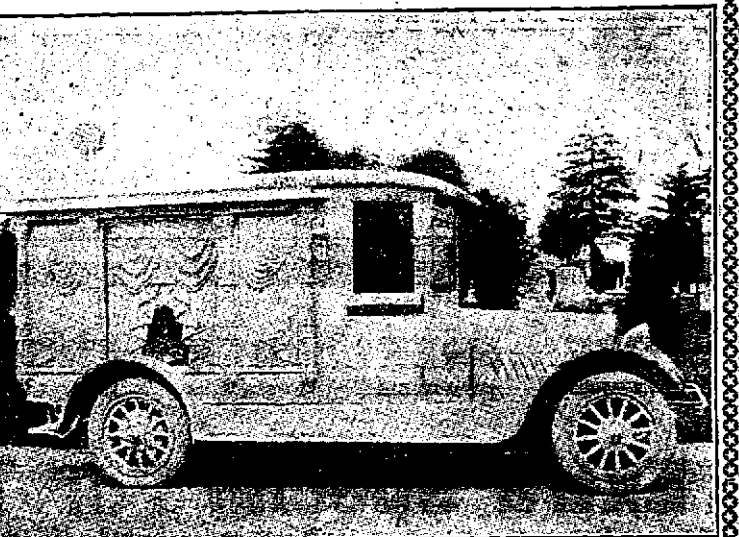

SENRECO, the recently discovered formula of a dental specialist, is two-fold in its action. First, it REALLY CLEANS, embodying specially prepared, soluble granules unusually effective in cleaning away food deposits. Second, it is particularly destructive to the germ of Pyorrhea. Yet it is perfectly safe, containing neither injurious chemicals nor hard grit.

## ANNOYED BY PERSPIRATION?

Time was when no matter how many gowns perspiration stained and ruined, nor how much annoyance it caused it seemed impossible to prevent it, but time and chemists have made it possible and that is just what ODO-RO-NO does. It prevents perspiration and odor where it is applied, without affecting the natural general perspiration of the entire body.

## WAGE EARNERS GET A NIGHT COURT

Will be Aid to Persons Who Cannot Afford to Suffer the Law's Delay.

## FOUR SESSIONS EACH WEEK

(By United Press.)

New York, June 5.—A night court where wage-earners can secure the prompt settlement of suits involving small sums will be opened in this city tonight.

It will be held hereafter four times each week, on Mondays, Tuesdays and Thursdays, from 8 to 11 p. m. Branches will be established in the various boroughs as needed.

This aid for persons who can least afford to suffer from the law's delays was finally secured without the passage of a bill from Albany which would make it mandatory.

Mayor Mitchell recognized that the authority to set up such a court was already vested in the Board of Justices.

Directly the Judges took definite action to provide the court for all the boroughs the mayor vetoed the Albany bill.

There are enough Justices to divide the work in such a manner as shall prevent the extra duties from weighing too heavily on them.

The new Night Court may greatly increase respect for the law by emphasizing its readiness to serve the poor man for whom its lengthier processes are prohibitive.

## OFFERING SETS A RECORD

Children's Day at Christian Church is Well Attended

The offering at the annual Children's day exercises at the Main Street Christian church Sunday exceeded by fifty dollars that of any other Children's day offering at that church. The total sum given by the various classes was \$525.10. The offering goes to home and foreign missions. A fine program by the children was much appreciated. At the class period there were 596 people but by the time the program was given there were at least 200 more present.

## BASEBALL IN LONDON

London, June 5.—Canadians and Americans serving in the British army today opened the Canadian-American season of the baseball league of eight teams.

Many resident Americans patronized the games last summer and it is expected there will be greater attendance this year. Baseball has become more popular with Britons through these army matches than ever before.

## Amusements

The Mystic will show a six reel program tonight including the feature picture "Our Boys in Pursuit of Mexican Bandits." The picture was made at the Mexican border and shows some actual fighting. The picture is timely and should prove quite interesting. The Selig drama, "Why Love is Blind" is the second picture. The program ends with the one reel comedy "His Emergency Wife."

"Excuse Me" a five act comedy taken from the stage play of the same name is the attraction at the Gem tonight. The story was written by Rupert Hughes and the play produced by Henry W. Savage. It is a Pullman car pleasantries of mirths and berths. George F. Marion, Robert Fisher, Harrison Ford and Vivian Blackburn are featured and it is said to be a very funny production. Special music by Miss Nellie Drake and Miss Leona Thomas will be offered as a part of the program.

"Tables Turned" is the title of the feature picture at the Princess tonight. Emmy Wehlen, the star of many big dramatic and musical productions in both London and New York, will be seen in this picture. "Tables Turned" is a gripping dramatic offering, brimful of tense situations, in which Miss Wehlen is seen at her very best. While this charming favorite of the London Gaiety achieved her greatest success in musical comedy, she has shown herself to be a versatile and capable actress, unusually powerful in emotional scenes. This picture is offered through the Metro program. Tomorrow the three act drama "The Spider's Web" will be shown.

## COMPROMISE ON HUGHES IS TRIED

Continued from Page 1.  
the fight had narrowed down to Hughes and Roosevelt. For the moment the advantage was with the justice but the political resourcefulness of Roosevelt, combined with the unwillingness of Hughes to assume the aggressive, forestalled any chance of the Hughes boom taking on the earmarks of a certainty.

Hoosier Fairbanks Boosters Want Presidency or Nothing

(By United Press.)  
Chicago, June 5.—Nothing short of the presidential nomination will do for Charles W. Fairbanks, Hoosiers' favorite son, his headquarters announced today.

"Indeed," said a statement, "Fairbanks would not seek or accept the second string honor."

"Indiana Republicans," the announcement declared, "are here for but one purpose and that is to nominate Mr. Fairbanks for president as the logical solution of the problem that confronts the convention."

Twelve candidates were baptized at the Second M. E. church yesterday morning. The sermon was preached by the Rev. S. Stone of Newcastle, who returned to his home this morning.

L. R. Vail has accepted a position as 2nd trick operator at the Pennsylvania station, during the absence of Scott Wilkinson who is taking a vacation.
